Mac Pre-installed Software

iWork '09

iWork '09 gives you everything you need to make impressive documents, spreadsheets, and presentations in minutes. Writing and page layout are even easier using Pages '09. Numbers '09 gives you innovative ways to create spreadsheets. You'll captivate your audience with sophisticated presentations using Keynote '09. iWork will be preinstalled on your Mac, so you'll have all three productivity applications available for immediate use.

About pre-installation

When you buy a new Mac you can add additional customization by choosing software options to be preinstalled. You can choose from the software listed below to configure your Mac to your own specific needs. Apple will install the software that you select, on your new Mac, so you can use it immediately. You'll also receive a backup DVD with the application installer.

Logic Express 8

Powerful music creation is at your fingertips with Logic Express 8, featuring the power of Logic Pro, over 100 instruments and effects, and a new intuitive interface. Logic Express can be preinstalled on your Mac so you can start recording, editing, and mixing your music from the moment you set up your computer.
